

Adjunct Faculty Positions Available

The Biomedical Informatics Program at Nova Southeastern University (<http://medicine.nova.edu/msbi>) is currently accepting applications for adjunct online faculty members to teach graduate courses in the program. Successful candidates will have the ability to deliver high-quality instruction in a range of computer science courses with a focus on clinical/medical informatics, biomedical informatics courses (e.g., clinical informatics and public health informatics), and healthcare organization and administration courses

Qualifications:

- *Earned doctorate degree (PhD, MD, DO, Dr. PH, etc.) from an accredited institution
- *Relevant academic teaching experience
- *Relevant clinical/industry experience preferred
- *Fluency in English

APPLICATION INFORMATION: Please submit the following materials:

- * Cover letter addressing how you meet the responsibilities and qualifications listed above
- * Resume
- * List of at least three references, with addresses and telephone numbers

Please submit the material to:

Jennie Q. Lou, M.D., M.Sc.
