Family Practice

---

Located in rural western Palm Beach County, 70 bed Lakeside Medical Center offers a Family Medicine residency program based in a community setting. Lakeside offers the following services:

- Women's Health- 6 labor and delivery rooms and 10 postpartum rooms
- Emergency Care - 17 emergency room treatment areas and 3 fast-track exam areas
- Critical Care- 6 private, spacious Intensive Care Unit rooms
- Surgery – 1,701 square feet of well-equipped, efficient surgical space
- All private rooms- 70 single-occupancy inpatient rooms with additional family-friendly consultation rooms

Family Medicine residents will receive continuity of care experience at several community clinic locations including the Lakeside Medical Center physician practices, Brumback Center and the Florida Community Health Centers.
