Portions of the Withdrawal policy have changed. The original policy, which can be found on page 121-122 of 2015-2016 COM Student Handbook, is updated with the following:

18. Withdrawal from a Course
Withdrawal from a course or courses must be distinguished from withdrawal from the college (see Withdrawal from College section).

Students may not elect to withdraw from any required course. However, withdrawal from a course or courses may be required by the College (see Leave of Absence section).

A student who has been withdrawn from a course will receive a W on his/her transcript if no graded coursework has been completed, a WP if graded work has been taken and completed at a passing level, or a WF if the withdrawal occurred while the student was failing completed coursework.

Students are required to be actively involved in all courses in which they are registered. During the first two weeks of each term, COM faculty will reconcile their course registration with those attending class. Students who are not attending classes and therefore not included in the roster reconciliation will be reported to the NSU Office of the Registrar and will be notified that they will be withdrawn from those courses.

In all cases of course withdrawal, the student must repeat the course in its entirety and will receive his or her earned grade for the course. Until the course is repeated, the student may not progress to the next class year of study.
