3/30/2016

Dear Future Student Doctor:

Congratulations on your acceptance to Nova Southeastern University College of Osteopathic Medicine. On behalf of the Office of Student and Alumni Affairs, we would like to welcome you to the Class of 2020 and the NSU-COM team! We want to introduce ourselves so you may become familiar with our names and who we are. For our contact information, please visit the following website: 
http://osteopathic.nova.edu/students/current.html

Delfina Wilson, Ph.D., Assistant Dean
Nelly Tejeda, Assistant Director
Jordan Mathis, Coordinator
Josephine Garcia, Administrative Assistant

Our role is to ensure support for all students within the College of Osteopathic Medicine. We are available to provide information regarding student activities, background checks, immunizations, orientation, white coat ceremony, and registration.

Below are a few links that might be helpful as you transition to NSU-COM.

The COM Outlook is the college’s personal quarterly publication. The COM Outlook features information concerning NSU-COM activities and programs that pertains to students, faculty, alumni, administrators, staff, and the overall osteopathic profession. The publication can be found at the following link: https://www.nova.edu/publications/com-outlook-winter-2016/.

You may refer to the Residential Life and Housing website for further information regarding housing options, roommate finders, and apartment finders. The housing website may be found at the following link: http://www.nova.edu/housing/index

Lastly, I know many of you are curious regarding background checks, physical
examination, and immunizations, which are **due prior to July 1, 2016**. You can start working on completing your immunizations and your physical examination by using the required forms found at the following link:

http://osteopathic.nova.edu/students/future.html.

We will provide you with additional details soon regarding how to create an account on Certified Profile so you can upload your required immunizations form, physical examination form, and complete your background check. Please be sure you have added our nova.edu emails to your accepted list with internet service providers to assure you receive correspondence.

All future email notifications will be sent to this NSU student email account. It is expected you ensure your account is set up following the information NSU will send you once your enrollment is complete.

To access your NSU Sharklink and NSU Email please visit the following link: https://sharklink.nova.edu/cp/home/displaylogin

For tips on how to use your NSU Email/Sharklink and troubleshooting please refer to the following link: http://www.nova.edu/help/students/index.html

If you have further questions, please contact the College of Osteopathic Medicine Office of Student & Alumni Affairs at (954) 262-1416. Enjoy the rest of your year, and we’ll see you this coming August.

Sincerely,

Delfina Wilson, Ph.D.
Assistant Dean, Student and Alumni Affairs
Nova Southeastern University College of Osteopathic Medicine
