Policy Update:	Background Checks, Immunizations, and Physical Examination Requirements
COM Program/Degree:	Osteopathic Medicine Program/D.O.
Effective Date Issued:	07/06/2015 via email notice
Student Handbook Issue:	2015-16 Academic Year

---

The introductory statement of the Background Checks, Immunizations, and Physical Examination Requirements policy has changed. The original policy, which can be found on page 115 of the 2015-2016 COM Student Handbook, is updated with the following:

**8. Background Checks, Immunizations, and Physical Examination Requirements**

Students entering into the Doctor of Osteopathic Medicine Program are required to submit to a background check, receive the required immunizations, and have a complete physical examination prior to the deadlines set by the Office of Admissions and the Office of Student and Alumni Affairs. Failure to meet these requirements by the deadlines may result in forfeiture of your seat with NSU-COM or a deferment in your matriculation into the program. The company used for all processes is Certified Background.
