FT=Full-time

PT=Part-time

IP=In Process: Students from the cohort listed have yet to graduate from the cohort year listed.

Programs are only required to provide data on the past 9 years/cohort or since the program was initially accredited, whichever is shorter.

* Graduation Rate is the program's Advertised Length of Completion which is how long the program is designed to complete as written.

** Job Placement Rate is the percentage of graduates from the cohort year that are employed utilizing skills learned in the COAMFTE accredited program.

*** Licensure rate is the percentage of graduates from the cohort year that have achieved ANY level of MFT licensure.

For Master's programs only, COAMFTE has established a benchmark of 70% licensure rate for each cohort.

2021-2022[^] IP[^]: To qualify for licensure as a Marriage and Family Therapist in Florida, individuals must complete a minimum of two years of post-master's supervised clinical experience. As such, members of this cohort will not be eligible for licensure until fall 2025 at the earliest. One graduate is currently on paternity leave and plans to begin interviewing for a private practice position in September 2025.

2022 – 2023^{^^} IP[^]: To be licensed as a Marriage and Family Therapist in Florida, a minimum of two years post-master's supervised experience is required. This cohort would not be eligible for licensure until fall 2026, at the earliest.
