Case report General review article Scoping review

- For medical students - only M1 (second semester), M2 and M4 are permitted to participate in research at KPCOM.
- **You must be in good academic standing to participate in research** - those with pending remediations or academic probation status or other academic concerns will not be able to participate in research until approved by the Dean.
- If interested you may elect to register for COM9600A (M1 and M2) or COM9600B (M4) to receive academic credit for your research work - contact the Director of Student Research for more information
- Return this completed form to the KPCOM Director of Student Research (Dr. Anna Potter) at [apotter1@nova.edu](mailto:apotter1@nova.edu) or the Assistant Director of Student Research (Ms. Beth Gilbert) at [bgilbert1@nova.edu](mailto:bgilbert1@nova.edu)
