

Ph.D. Research Internship Evaluation

Dr. Kiran C. Patel College
of Osteopathic Medicine
NOVA SOUTHEASTERN UNIVERSITY

Semester I:

Semester II:

Semester III:

Department of Family Therapy
3301 College Avenue
Fort Lauderdale, FL 33314

Student: _____ N# _____ Supervisor _____

Internship Site: _____ Date: ____/____/____ Grade: _____

Students' progress in practicum is assessed each trimester in terms of a set of skills (described below) that the program considers necessary for the successful practice of family therapy. Demonstration of each of the skills is assessed on a five point scale. A "5" on an item means that the student consistently demonstrated the described behavior or skill. A "4" means that the student often demonstrated the described behavior or skill. A "3" indicates that the student inconsistently demonstrated the described behavior or skill. A "2" means that the student seldom demonstrated the described behavior or skill. A "1" means that the student never demonstrated the described behavior or skill. The practicum grade is determined in the following way:

A	no more than five 4s; nothing below 4
B	more than five 4s and/or up to two 3s; nothing below 3
C	more than two 3s and/or up to two 2s; nothing below 2
D	more than two 2s and/or up to two 1s
F	more than two 1s

Students must be able to consistently do the following:

- _____ Be prompt in scheduling ongoing weekly meetings with supervisor
- _____ Be punctual and attend regular scheduled weekly meeting
- _____ Be receptive to feedback from faculty and colleagues (Open to need for personal growth as relevant to development as a researcher)
- _____ Actively participate in discussing relevant research and professional issues
- _____ Maintain professional relationships with supervisor(s)
- _____ Transition effectively from academic to professional context
- _____ Gather necessary information for research project using computers, telephones, on-site visits and various methods
- _____ Demonstrate a systemic analysis and understanding of the research project variables at hand
- _____ Identify what they wish to obtain from supervision
- _____ Formulate data collection techniques relative to the particular project
- _____ Write a comprehensive project report, which may include table charts, PowerPoint, benchmarking, and/or governance policies, to name a few, by the end of the Internship
- _____ Organize data and project information in a concise manner
- _____ Submit all paperwork in a timely manner
- _____ Develop a reporting system to reflect the research project

Ph.D. Research Internship Evaluation

What specific areas of growth have been demonstrated in the student's professional development?

What specific areas require additional work and/or monitoring?
