<b>Policy Update:</b>	Examinations
<b>COM Program/Degree:</b>	DO Program
<b>Effective Date Issued:</b>	July 27, 2021
<b>Student Handbook Issue:</b>	2020-2021 Academic Year

---

*The Examinations policy has been updated. The original policy, which can be found on pages 147-153 of the 2020-2021 KPCOM Student Handbook has been updated to include the additional section below:*

**E. Examinations**

**Emergencies During Examinations**

Should an emergency (e.g. fire alarm, active shooter) occur during an examination that impacts students' ability to continue the exam, those students who are impacted are to follow NSU's emergency procedures. They must close the electronic exam or turn in the paper exam and evacuate the building or shelter in place as ordered. These students will be scheduled for a second full examination as soon as circumstances allow. Those questions already completed will be voided since students did not have the opportunity to recheck their work prior to the emergency.

Students who have already completed and submitted the exam prior to the emergency will receive the examination score earned.

Students who are not impacted by the emergency because they are in another building or on another campus will continue taking the examination as scheduled.
